143 during the campaign period. The Elections Committee will be responsible for planning, coordinating, and
144 marketing these forums. At the forum, candidates are encouraged to discuss their experience, platforms, and
145 more. Candidates are also encouraged to use the forum as an opportunity specifically to discuss why they are
146 more qualified for the contested position than their opponent(s). The Director of Elections shall reach out

147 to student organizations that receive funding from the Student Assembly, encouraging them to use the
148 candidate forum as an opportunity to consider candidates for endorsements.

175 compromises the fairness of the election. It is the candidate's responsibility to read the referenced
176 documents and be familiar with the rules and regulations established within them. The Director of Elections

³ Please note that it is against the University Postering and Chalking Policy to chalk on any vertical surface, regardless of the location.

- 190 1. Candidates and supporters acting on their behalf may not exceed the \$50 limit for out-of-pocket
191 expenses and fair market value of donations of materials, professional services, and/or money
192 a. Fair market value is the value at which something is to be obtained normally if
193 documentation of its dollar value is not provided.
194 b. If there is a supporting receipt for a good used in a candidate's campaign, then the value of
195 that good is the dollar value on the supporting receipt as long as the transaction was
196 conducted at arm's length.
197 c. For donated materials, professional services, or other goods for which no official receipt is
198 provided, candidates must seek the most plausible assessment of the fair market value of the
199 good. Professional services will be defined as any work for which the given individual/donor
200 is typically compensated. Volunteer time donated by full-time students will not be
201 considered professional services.
202 d. Paid advertisements and related costs on social networking sites or other websites must also
203 be accounted for at fair market value.
204 2. Candidates who do not receive or choose not to receive free promotional materials printed by the

- 219 1. Student Activities Funding Commission (SAFC) funded and Student Activity Fee (SAF) byline
220 funded organizations may endorse candidates. All groups must act in a way that is fair and balanced
221 when deciding on the endorsement of candidates.

235 **1. General Rules**

236 Candidates and supporters acting on their behalf may not:

242 candidate in the President and/or Executive Vice President races.

247 Candidates in any race, besides those running for the position of President or Executive Vice President, will
248 be given the freedom to distribute promotional material, send electronic communications, campaign on
249 behalf of, and speak for candidates in the President or Executive Vice President races. Candidates who

250 choose to do so are considered supporters and are held accountable to all clauses in these rules that pertain
251 to candidates and their supporters. The President and Executive Vice President candidates are strictly
252 prohibited from coordinating activities. Candidates are strictly prohibited from performing the actions
253 above for candidates not in the President or Executive Vice President races.

254 3. Plagiarism

263 and Executive Vice President, will be listed as Undesignated At-Large candidates on the ballot in the
264 Undesignated At-Large race. Candidates who win President and Executive Vice President will be
265 removed from the Undesignated At-Large seat race and their votes will be transferred to the next
266 highest ranked candidates.

267 **Article III: Election Procedures**

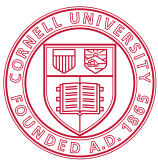

268 **A. The Election Calendar**

- 269 1. The Director of Elections, in consultation with the Office of the Assemblies, will draft the election

⁴ The Director of Elections should coordinate the schedule of the Student Assembly elections with other campus elections, such as those of the Student-Elected Trustee and Class Councils. It may also result in disciplinary referral to the Judicial 330 Administrator.

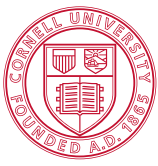

- 281 4. During a Challenge Review Meeting, the interpretation of the Elections Rules will lie with the sitting
282 Elections Committee. The JCC's decision making process may only override the Committee's
283 decision if and only if the Elections Committee did not follow the procedure outlined in the
284 Election Rules.
- 285 5. Elections Committee members are expected to abide by the highest standards of personal conduct
286 and integrity. Students are mandated to excuse themselves from serving on the Elections Committee
287 if they plan to take part in a campaign. Therefore, members should not be involved in the
288 campaigning process. All conflicts should be considered and resolved before the election cycle
289 begins. Elections Committee members may not sit on the Executive Board of an organization that
290 endorses candidates in an SA election. If an Elections Committee member sits on the Executive
291 Board of an organization or sat on that Executive Board at any time during the same semester of a
292 particular SA election, that organization may not endorse candidates in that SA election, or that
293 Elections Committee member must resign from the Elections Committee.
- 294 6. The Elections Committee should be prepared to meet immediately following the challenge deadline
295 to rule on all pertinent challenges. The Elections Committee shall use Robert's Rules of Order to
296 consider challenges, in addition to the election rules. In the event of conflict, these election rules
297 supersede Robert's Rules of Order. The Elections Committee has no power to overrule the election
298 rules under any circumstances.
- 299 7. The Director of Elections shall give a final report on the results of the election when there are no
300 remaining unresolved matters.
- 301 8. For the benefit of the students, the Elections Committee shall establish voting booths across
302 campus on the days of the election. Committee members will ensure that no campaigning occurs
303 within 25 feet of a voting booth.

304 **C. Independence of the Elections Committee**

- 305 1. While members of the Elections Committee are expected to abide by the highest standards of
306 integrity, they also enjoy independence from undue interference. Hence, students may not falsely
307 accuse, harass, threaten or coerce any member of the Elections Committee for actions taken in their
308 official capacity.
- 309 2. Subject to the determination of the Elections Committee, any violation of this section can result in
310 temporary or permanent disqualification from contesting elections to the SA or UA.

311 **D. Voting and Tabulation**

- 312 1. The order in which names appear on the ballot shall be randomly selected.
- 313 2. Uncontested candidates will not be listed for a vote on the ballot and will be deemed victorious
314 pending the resolution of challenges.
- 315 3. Results for challenged races will be posted after the Elections Committee has ruled on those
316 challenges.
- 317 4. The Elections Committee will not have access to the results prior to and during challenge
318 deliberations. The Office of Assemblies will release election results after the Elections Committee
319 has validated the election results.
- 320 5. A printout of election results for qualifying candidates shall be available in the Office of the
321 Assemblies, 109 Day Hall, for one year following the election. Disqualified candidates will not have
322 their vote tallies made available.

- 323 6. The Student Assembly election results will be sent out to the entire student body via email using the
324 Assembly's monthly email.

325 **E. Challenges**

326 **1. Eligibility to Challenge**

- 327 1. Any member of the Cornell community may submit a challenge.
328 2. The Director of Elections may submit a challenge.
329 3. The Elections Committee as a body may submit a challenge by majority vote.
330 4. Individual committee members, except the Director of Elections, may not submit a challenge.

331 **2. Challenge Deadlines**

- 332 1. Election challenges must be submitted by the election challenge deadline specified in the elections
333 calendar.
334 2. The Director of Elections or the Elections Committee by a majority vote can submit a challenge at
335 any time before the declaration of results.
336 3. No challenges will be accepted after these deadlines.
337 4. Once submitted, a challenge becomes part of the formal record, and may not be withdrawn except
338 by the explicit permission of the Director of Elections.

339 **3. Format of Challenges**

340 Challenges must be in writing, submitted on the signed Challenge Form, and accompanied by the following
341 supporting documentation:

- 342 1. Challenger's name
343 2. Candidate's name
344 3. Date of challenge
345 4. Reason for challenge and supporting evidence

346 **4. Notification of Election Challenges**

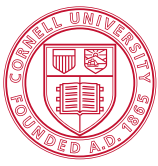

347 The Office of the Assemblies will notify the Director of Elections who will send an email notifying anyone
348 who is named in an election challenge. The email will contain a scanned copy of the challenge.

349 **5. Response to Election Challenges**

350 A challenged candidate may review challenges to which they are a party in the Office of the Assemblies, 109
351 Day Hall, and address written statements in response to the committee. The challenged candidate may
352 request a hearing in person with the committee.

353 **6. Challenge Review Meeting**

354 The committee will schedule a meeting to review challenges in Executive Session. The committee, less
355 temporarily recused members, will provide an opportunity for the challenged candidate to respond in

356 person if requested by the challenged candidate or a member of the committee. For each challenge, the
357 committee will determine:

- 358 1. Whether a preponderance of evidence substantiates each alleged violation. This vote will be taken
359 for each violation individually, and a majority of the seated membership of the Elections Committee
360 is required to declare that a preponderance of evidence substantiates each violation;
- 361 2. Which, if any, substantiated violations or combination thereof compromised the fairness of the
362 election and constituted a material advantage to the extent the challenged candidate should be
363 disqualified. If the committee finds either that a single substantiated violation or that a combination
364 of substantiated violations should require the disqualification of a candidate, with at least two-thirds
365 of the members present of the Elections Committee in the affirmative, may disqualify the candidate.

366 7. Written Report

- 367 1. For each rule violation, the Director of Elections or a member of the Elections Committee as
368 delegated by the Director will create a written report thoroughly detailing the challenge(s), listing the
369 tallies of all votes taken by the committee including the bifurcated voting process, the decision
370 made, and how the decision was reached.
- 371 2. The report is kept confidential and only released to the challenged candidate and the challenger(s).
- 372 3. A copy, with all names other than the challenged candidate redacted, is kept in the Office of the
373 Assemblies, 109 Day Hall.
- 374 4. For each challenge, the committee will report to the challenger(s) and the challenged candidate all
375 evidence received/found, any violations substantiated, and any decisions to disqualify the challenged
376 candidate.

377 8. Reconsideration

- 378 1. If the committee determines a candidate should be disqualified, the candidate may request
379 reconsideration within twenty-four hours of receiving the written report. To be reconsidered, the
380 candidate seeking such reconsideration must submit a request in writing to the Office of the
381 Assemblies, via email to assembly@cornell.edu, and the Director of Elections. The statement should
382 address the specific findings in the written report to be reconsidered and should detail the specific
383 points where the Elections Committee failed to correctly enforce these Elections Rules.
- 384 2. The committee will convene in response to such a request. The committee, after evaluating each
385 request for reconsideration, will take a vote requiring a simple majority to determine if the previous
386 decision to disqualify should be overturned.
- 387 3. If a disqualified candidate believes that the Elections Committee failed to correctly follow or enforce
388 these Elections Rules after the Elections Committee's reconsideration, they may request a review by
389 the Judicial Codes Counselor (JCC) within 24 hours after the Election's Committee's
390 Reconsideration vote.
- 391 4. The challenged candidate will submit to the JCC, the Office of the Assemblies, and the Director of
392 Elections all original appeal materials that were previously submitted to the Elections Committee as
393 well as any additional materials that detail failures of the Elections Committee to follow and enforce
394 these Elections Rules.
- 395 5. The Elections Committee will submit all challenge reports pertaining to the candidate's appeal as
396 well as any additional materials refuting or agreeing with claims made by the challenged candidate to
397 the JCC within 24 hours after the candidate appeals to the JCC. If the Elections Committee agrees

398 with the candidate's appeal, a vote with a simple majority of the seated membership of the Elections
399 Committee in the affirmative may overturn their decision before the JCC completes a full review.
400 6. After a review of all materials sent by the candidate and the Elections Committee, the JCC will
401 determine whether or not to take the case. If the JCC deems that the appealed case does not merit
402 consideration, then the decision of the Elections Committee will be final. If the JCC takes on the
403 case and finds that the Elections Committee did not correctly follow and enforce the Elections
404 Rules, the JCC has the power to overturn the decision of the Elections Committee.

405 **9. Confidentiality**

- 406 1. Members of the committee and parties to a challenge may not share the contents of challenges,
407 evidence, or decisions submitted to or received from the committee, except when explicitly
408 permitted by these rules or by the Director of Elections. When publicly releasing confidential
409 information, the Director of Elections must redact the names of all individuals who are not the
410 challenged candidate.
411 2. A review of the Challenges may take place in the Office of the Assemblies, 109 Day Hall, by any
412 member of the Cornell community. Challenges may not be photocopied, photographed, digitally
413 recorded or removed from the Office of Assemblies.
