

Cornell University Student Assembly

Organization	EARS
2016-2018 Allocation	\$1.50
2018-2020 Request	\$1.50
Appropriations Recommendation	\$1.50

Rationale of the Committee

The Appropriations Committee recommends funding EARS at \$1.50 for the 2018-2020 By-Line Funding Cycle. EARS has shown consistently that they provide an enormous benefit to the Cornell community by supporting students in their time of need through anonymous counseling services. The students who volunteer as EARS Counselors appeared knowledgeable, driven, and ready to serve the student body. By listening to over 800 cases per year, we know that EARS is one of the most important and impactful organizations receiving by-line funding. We are proud to fund EARS at their full request for the next by-line cycle.

Vote Totals
