a. P. Gronemeyer encouraged all SA members to follow COVID-19 guidelines, as every SA member are ambassadors and role models on campus.

b. A. Ononye asked all participants speak in the microphone when speaking.

c. University Hearing and Review Panel Presentation by J. Richards, a chair of the Codes and Judicial Committee.

i. J. Richards explained that there is a new Code of Conduct this year, and a UHRP that is made up of students, faculty, and staff. It is up to the assemblies to staff this panel and this presentation is merely guidance on the selection process. The deadline for the application launched is Sept. 10. To announce the opportunity, it is recommended to market it as a new and exciting leadership opportunity for the inaugural year of the panel that will shape the panel for years to come. The Assemblies and Senate respectively solicit applications and submit them to the director each year. It is asked that the applications be solicited from Sept. 10th to Sept. 24th. In order to qualify for the UHRP, applications must not have a conflict of interest, meaning they cannot be a member of the SA or GPSA or an employee of the Office of the Assemblies while on the panel. It is commitment of a two-year term and there is required annual training. Some suggested application attributes are a lack of implicit biases, cooperative, concise and clear in their logical reasoning, and honesty. This is not an opportunity for advocacy. The suggest application material is a statement of interest questionnaire and a resume. Resumes are mostly used as tiebreakers.

1. P. Gronemeyer expressed gratitude for the presentation and asked if the conflict of interest only applies to members of the executive committee of the SA.

   a. J. Richards answered that all members of the SA have a conflict of interest.

2. D. Cady asked for access to Powerpoint and questionnaire.

   a. J. Richards stated they were unsure if they would be found helpful but would share them with the assembly.

3. M. Baker asked if there is a difference by the UHRB and the previous panel.

   a. J. Richards explained that the concrete difference is the new Code of Conduct. The name of the panel was to highlight that it is working under a new code.

   b. Board for summer follows t

4. L. Smith asked what the recruitment is fail safe if there is not enough applications. They don’t get enough applicant.

   a. J. Richards stated they are confident that there will be enough applicants. If there is not, the director will unilaterally appoint people.

5. A. Ononye asked if there is anything the SA should do next.

   a. J. Richards stated that if the SA decides to apply these suggested guidelines, the next steps include put the application together, launching it to the student body hopefully by Sept. 10, and selecting applicants by Sept. 24th.

6. L. Smith questioned who set the launch date as Sept. 10th, as it is a short timeframe and places a lot of stress on the assembly.
a. J. Richards explained there is a lot of stress on the CJC and students could not be solicited until the new semester. A panel is needed as soon as possible.

7. J. Jiang asked if the UHRP receive all the cases by the university.
   a. J. Richards stated they receive any violation at all of the Code of Conduct.
   b. J. Jiang asked if someone was in violation of the code if they could apply.
      i. J. Richards explained that is conflict of interest.

VII. New Business
   a. SA R10: Amendments to the Election Rules for Fall 2021
      i. Abstract: This resolution updates the Student Assembly Election Rules for the Fall 2021 Election. This is necessitated by the ongoing public health restrictions related to COVID-19, and the ability to return to in-person elections, petition, and campaigning.
      ii. P. Mehler explained that this resolution is the amendments to the SA Election Rules and it is updated every semester. One of the main changes is that it has added the ability to change to online. As of right now, everything is planned to be in-person, but also, they will have the ability to go online. There are also some changes coming to the appeal process, as the JCC no longer exists. The Office of the Assemblies, the Law School, and the Scheinman Institute on Conflict Resolution are working together to create an appeals process.
      iii. A. Williams stated that Facebook Messenger is not listed under what is not social media section. Facebook Messenger is a separate app from Facebook and many international students use that to communicate with other students.
         1. P. Mehler stated they would be happy to have the Election Rules amended to have Facebook Messenger listed under the not social media section.
      iv. A. Gleiberman asked if the resolution could be amended to include any messenger apps or messenger functions.
         1. N. Overton explained that Instagram direct messages cannot be separated from Instagram, while Facebook Messenger is a separate app from Facebook.
      v. H. Wade stated that Facebook Messenger and Facebook have been merged and suggested it may be helpful to have a blanket statement covering all direct messaging functions.
      vi. A. Williams stated that Facebook Messenger is still a separate app even though you can use it in the Facebook ap
      vii. A. Gleiberman stated that it would confusing to allow only one.
         1. P. Mehler stated that social media section came from a challenge in the Spring 2021 election. They are trying to define what is allowed beyond email and text messages. Social media is when someone posts something and everyone can see it, rather than message sent directly to one person.
      viii. A. Lambert asked if this includes petition signatures through direct messaging.
1. P. Mehler stated that you cannot campaign during petition season, and petition signatures will now be in person.

ix. A. Ononye expressed concern that members of the Elections Committee are allowed to run for SA the semester after being on the committee.

1. P. Mehler stated that rule is mostly for freshman and transfer student and the only information they receive is the election rules. To work in the Elections Committee, they do have to sign a confidentiality agreement. The purpose is to encourage people to be involved in the Student Assembly and the Elections Committee.

2. A. Ononye stated it might be a conflict of interest if one worked in the Elections Committee in the semester previous are running for higher position in the Student Assembly.

   a. P. Mehler explained that there is no election information they would receive that would give them an advantage.

x. M. Baker agreed with A. Ononye’s sentiments and stated it should state that they can run for the SA a year after serving on the Elections Committee, rather than a semester after.

1. P. Mehler explained that the rule’s goal is to encourage people to get involved.

xi. H. Wade asked if there was any past cheating through the Elections Committee.

1. P. Mehler explained this became a rule in 2018.

xii. N. Overton stated they can see both sides of the issue and suggested an amendment to allow only freshman or transfer students to run the semester after serving on the Elections Committee.

1. P. Mehler acknowledged the concern that it would give students from the Elections Committee advantage but explained that it would not.

xiii. A. Gleiberman asked if this section was changed.

1. P. Mehler stated that it used that it was a year after serving on the Elections Committee but was changed in the Spring 2021 semester.

xv. Motion to amend the language on line 76 to state “email, GroupMe, WhatsApp, Signal, SMS texting, and private messaging features on other applications are not social media” – amended by a vote of 21-0-1.

xvi. J. Mullen asked for clarification on the final section regarding the Undesignated At-Large seats for president and vice president runner-ups. In the previous election had to take the third-place candidate had to take the one Undesignated At-Large seat. J. Mullen asked if is that process is laid out in these rules or if it was implied.

1. P. Mehler explained that there are four Undesignated At-Large seats, two for there for their own reason, one is for the presidential runner up and one for vice president runner up. If there is any open seat, the next highest candidate will take that seat. The previous rules did not state that, but it has now been updated to reflect this.
xvii. A. Williams expressed concern over line 326, where having voting booths for elections has been removed and worried it does not allow all students equal opportunities to vote in the election.  
   1. P. Mehler explained that has been crossed out for the past 4 years, and there has not been an issue with no voting booths.  
   2. A. Williams asked if it were possible to publicize if you need to help voting to go to 109 Day Hall.  
      a. W. Treat answered that this is possible.  
xviii. D. Cady stated that the SDS does have and does give out computers with accommodation for students with disabilities.  
   1. P. Mehler stated they will work with the Office of the Assemblies to add access to these computers in 109 Day Hall during the voting period.  
xix. P. Gronemeyer stated at the bottom at all Cornell websites that states that if anyone needs help with viewing the website there is an email listed to message.

c. SA R13: Dissolving the Research and Accountability Committee  
i. Abstract: This resolution is intended to dissolve the Research & Accountability Committee.  
ii. M. Baker explained that the purpose of this resolution is to dissolve the R&A Committee. The R&A Committee was created in January 2020 and was useful for past assemblies. However, it is no longer needed, and the SA has been succeeding without it. If it needs to be reinstated in the future, future SA will be able to do so.  
iii. N. Overton asked what the circumstances were that this committee was created.  
   1. M. Baker explained that it was created in January 2020 and only was functioning for 2 months before being shutdown due to the pandemic.  
iv. L. Smith provided context that a past vice president was failing to meet their duties.

vi. C. Leon asked what would qualifying needing to bring the committee back.  
   1. M. Baker stated that it would be if the consensus was the committee would be helpful to have.

   1. M. Baker stated they do not see a need for this committee in the future.  
viii. J. Mullen expressed concern that there is always a need for accountability.
1. M. Baker explained that the committee was extremely dysfunctional last year. The first two months after the creation of the committee it was effective, however, after that it did nothing.
2. J. Mullen stated it is not the function of the committee itself for it to be dysfunctional, but it was the members of the committee and the SA. Accountability is not inherently dysfunctional.

ix. A. Gleiberman stated that SA members should be doing their own research. Additionally, the Executive Committee approves of the members of the committee, in order to truly hold members accountable, it would be beneficial to have a committee outside of the assembly tasked with that.
   1. M. Baker asked if that means the SA should seek out a 3rd party tasked with accountability.
   2. A. Gleiberman stated that is a good idea.

x. A. Williams motioned to table the resolution so that SA has the opportunity to restructure the committee
   1. L. Smith dissented and stated that accountability for each member is inherent, as it is an elected position for only one year. If their constituents felt their representative was not a good job, they will have the opportunity to not reelect that representative.

xi. Motion to table – failed by a vote of 8-10-3

xii. There was a motion to vote.
   1. D. Cady dissented and stated that the assembly should discuss the resolution more. There are legitimate concerns about the R&A committee, however it would be beneficial to consider other options before immediately dissolving it. This resolution as it is just removing accountability. If there are no immediate concern, there is no reason to act so fast to remove it. Additionally, many representatives run uncontested races, so having internal accountability is essential.
      a. M. Baker asked if the SA should continue the process of staffing the committee and then dissolve the committee in a few weeks.
         i. D. Cady stated there should be a third party in place before the committee is dissolved.
      b. M. Baker questioned why have a committee for only three weeks.
         i. D. Cady explained they would rather have that than remove any form of accountability.

d. Motion to amend the agenda to begin debate on Resolution 15 and Resolution 16 after – amended by Unanimous Consent

e. SA R15: Urging Cornell to Immediately Release Financial Aid
   i. Abstract: This resolution calls for Cornell’s Office of Financial Aid to immediately release all financial aid to students.
   ii. J. Mullen stated that this resolution calls on the office of financial aid to immediately release and includes petition and a letter that is in The Daily Sun. The actionable clauses at the end of the resolution call for more transparency to this process.
iii. A. Williams stated that their financial aid came out after the first payment was due, which caused a lot of stress.

iv. D. Cady pointed out the financial aid should be released in appropriate time, and highlighted that this is an issue for all students.

       1. M. Baker stated that there is usually about 30 people.
   iv. A. Lampert asked if there was any reasoning for the change.
       1. M. Baker stated that the Convocation Committee has been attempting to change this for the past few years. They wanted an exact number, as if there were 15 seniors in the SA one year, they would all have to be invited onto the committee.
   v. A. Williams asked how they settled with three.
       1. M. Baker explained that at the beginning of the summer, they requested zero, and M. Baker countered with six. In a compromise, they settled on three.
   vi. A. Ononye stated this has been a long discussion. This change will allow the Convocation Committee to still have SA representation but not to be dominated by SA members.
   vii. K. Santacruz stated that SA members are representatives of the students and the Convocation Committee is an SA organization.
       1. M. Baker explained that A. Ononye is already on the committee. Additionally, because the SA is already elected, the Convocation wanted to be diversified among the senior class.
   viii. D. Eisman asked if there were seats for the president and vice president of the SA.
       1. M. Baker stated that it may be a conflict of interest if the SA president is not a senior. It would not include the SA president or vice president of they are not seniors.

Whereas, the Student Assembly Standing Rules, Section 8: Spending Guidelines, Part B: Special Projects Funding outlines the purpose of Special Projects Funding and the process of approving funding requests.

Whereas, lines 281-283 of the Student Assembly Standing Rules explains the purpose of Special Projects Funding as follows:

Rule 5: The Student Assembly may choose to fund any project, program or service through SA Special Projects that it deems to improve the quality of undergraduate student life or to further the goals of the SA. Special Projects funding is a type of category spending.

Whereas, lines 298-301 of the Student Assembly Standing Rules describes the approval process of Special Projects Funding as follows:

Rule 9: Requests $1500 and over shall be decided upon by a majority vote of the Executive Committee and confirmed by a majority vote of the Student Assembly, at large. The SA, at large, is only required to confirm requests of $1500 or greater. The request should be presented to the Student Assembly in the form of a resolution.

Whereas, the nonprofit organization Art with Impact helps college students creatively explore their own mental health through the arts and has an emphasis on intersectionality, community building, and mental wellness/cultural stigma within marginalized communities.

Whereas, the event would include a psychiatrist and facilitators who will shape workshops that open the conversation and normalize discussions surrounding mental health.
Whereas, students who do not feel comfortable meeting in person due to COVID-19 will have the option of tuning in via Zoom.

Be it therefore resolved, that the Student Assembly approves the $4,200 Special Projects Funding disbursement to the nonprofit organization Art with Impact for their mental health within the Black community programming.

Be it further resolved, that the Student Assembly necessitates that this funding be used to cover the cost of the event and other sufficient line items.

Be it finally resolved, that the Student Assembly encourages all undergraduate students who can to attend and participate in Art with Impact’s programming that will be funded through Special Projects Funding.

Resolution 18: Calling on the Cornell University Administration to Publicly Address its Relationship to Gayogohóꞌnǫ’ (Cayuga Nation) Governance

Abstract: This resolution calls for the Cornell University Administration to release a statement articulating its relationship with the Gayogohóꞌnǫ’ (Cayuga Nation) Council of Chiefs, urging the Bureau of Indian Affairs to remove Clint Halftown as the Gayogohóꞌnǫ’, Cayuga Nations’ federal representative, establish support for the Cayuga Nation Council of Chiefs as the legitimate government, and urge President Biden to meet with Council of Chiefs.

Whereas, in requesting speakers for classes, offering language courses, arranging for University-Nation collaborations, and in requesting consultation with the Gayogohóꞌnǫ’ on myriad issues, the American Indian and Indigenous Studies Program and Cornell Law School intentionally choose to engage with Sachem Sam George and the Cayuga Nation Council of Chiefs.

Whereas, further, Cornell's Land Acknowledgment was both “reviewed and approved by the traditional Gayogohóꞌnǫ’ leadership,” the Cayuga Nation Council of Chiefs.¹

Whereas, due to his repeated acts of harassment and violence towards the Gayogohóꞌnǫ’, the Cayuga Nation Council of Chiefs—the traditional leadership of the Gayogohóꞌnǫ’—does not recognize Clint Halftown as their federal representative.

Whereas, on February 22, 2020, in the early morning hours, Clint Halftown ordered the destruction of the traditional Gayogohóꞌnǫ’ schoolhouse, several homes, and businesses, leading to violence against the Gayogohóꞌnǫ’ and their allies.²

¹ Departments hosting the land acknowledgement: Student Campus Life; AIISP; Asian Studies; School of Veterinary Medicine; Cornell Lab’s K. Lisa Yang Center for Conservation Bioacoustics (CCB); Natural Resources & the Environment (CAILS); ILR School; Sustainable Campus; Ecology & Evolutionary Biology; Botanic Gardens; Computing & Information Science; Office of Academic Diversity Initiatives (OADI); History of Art & Visual Studies; Global Development; Cornell University Agricultural Experiment Station; Outdoor Education; Communication Department

Whereas, on May 15, 2021, the Gayogóhó꞉nó꞉ (Cayuga Nation) Council of Chiefs released a letter addressing the abuses their people have faced from the orders of Clint Halftown.³

Whereas, “in the middle of a global pandemic Clint Halftown has issued eviction notices and court dates to the traditional Cayuga citizens. The Cayuga Nation citizens, Chiefs and Clanmothers consider the court established by Halftown as illegitimate.”³

Whereas, the Gayogóhó꞉nó꞉ ‘are experiencing daily harassment by [an] illegitimate non-Cayuga Police force.”³

Whereas, Clint Halftown “continues to bring harm, anxiety, and stress to the traditional Cayuga citizens in an already stressful year.”³

Whereas, the Cayuga National Council of Chiefs “do not support Clint Halftown his government or his actions and [request he] cease and desist from using the collective rights of the Cayuga Nation.”³

Whereas, as cited by the Cayuga Nation Chiefs, Article VII of the 1794 Canandaigua Treaty states “… complaint shall be made by the party injured, to the other: by the Six Nations or any of them, to the President of the United States.”³

Be it therefore resolved, the Student Assembly demands the Cornell University Administration make a formal statement urging the Bureau of Indian Affairs to immediately remove Clint Halftown’s designation as the ‘federal representative’ of the Gayogóhó꞉nó꞉, in accordance with the calls in the Council of Chiefs’ letter.

Be it further resolved, the Student Assembly demands the Cornell University Administration formally voice support for the Council of Chiefs as the rightful governing body of the Gayogóhó꞉nó꞉ with which all levels of the U.S. government should be engaging in a Nation-to-Nation relationship.⁴

Be it finally resolved, the Student Assembly calls on the Cornell University Administration to make a formal statement urging President Biden to read the Cayuga Nation Council of Chiefs May 2021 letter and honor their meeting request as per Article VII of the 1794 Treaty of Canandaigua.⁵

PREAMBLE

After consultation with members of the student body, and to effect more extensive involvement in campus governance through a University Assembly and constituent assemblies’ representatives of faculty, students, and employees, the President, through the authority granted him by the Board of Trustees, hereby establishes this Charter for the Student Assembly of Cornell University.

ARTICLE I: NAME

The name of this organization shall be the Student Assembly of Cornell University (herein after referred to as the SA).

ARTICLE II: OBJECT

The object of this assembly shall be to effect more extensive involvement in campus governance in the undergraduate student body. This is accomplished by charging the assembly with the authority and the responsibility to examine any matters which involve the interests or concern the welfare of the student community and to make proposals concerning those issues to the appropriate officers or decision-making bodies of the University.

ARTICLE III: AUTHORITY AND RESPONSIBILITY

Section 1: Legislative Authority Over Policies

The SA will have legislative authority over the policies of the Department of Campus Life and the Office of the Dean of Students, and will have the authority to review the budgets and actions of said departments. Additionally, the SA will have authority over its own policies and operations. Finally, no proposal of the SA shall be altered in any way without the prior consent of the SA Executive Board or the SA. If approved by the SA Executive Board, the alteration must be made public at the next regularly scheduled meeting.

A. The SA shall by majority vote have the authority to require at any time information directly from a department or a specific individual within that department concerning the budget, policies, or actions of said department. The request for this information shall be made in the form of legislation at a SA meeting.

B. Should a request be refused, the SA by simple majority vote may request the information be given to the Vice President for Student and Campus Life who shall forward it to the SA. The Vice President for Student and Campus Life shall act unless otherwise directed by the President of the University, pursuant to Article 3, Section 6.
Section 2: Actions of the Assembly

A. Pursuant to the legislative authority and responsibilities of the SA the six principal actions of the Assembly are:
   i. Legislation,
   ii. Internal Policy Resolution,
   iii. Investigation,
   iv. Recommendation,
   v. Sense-of-the-Body Resolution,
   vi. Referenda

B. Legislation is action of the SA to carry out its legislative and policy-making functions.

C. Internal Policy Resolutions are actions to enact internal rule changes, and to make amendments to the SA Charter.

D. Investigation is action of the SA to gain information on issues pertinent to its purview.

E. Recommendation is an action of the SA expressing the recommendation of the SA in policy areas over which the SA through its Charter may or may not have policy-making power.

F. A Sense-of-the-Body Resolution, which may or may not be directed at a particular individual, organization or event, is an expression of the opinion of the SA regarding a matter of student concern.

G. Call for a Referendum is an action of the student body to determine community opinion regarding matters of student concern.

Section 3: Reporting of Student Assembly Actions

A. Reporting to the President – All actions, excluding internal policy changes that do not affect the Student Assembly Charter, of the SA will be reported by the SA President to the University President. The SA will respond to any requests for information from the University President on its actions. The University President may also request reconsideration of legislation proposed by the SA. Such a request must be filed within thirty days of notification of the legislation. The SA will take action on such a request, and, if the legislation is upheld, the SA will inform the University President. If the legislation is upheld and if the University President still deems the action to be defective, the University President may veto the action of the SA. The University President will review all actions of the SA that have been reported to him or her and provide a written response to those actions within 30 days. The University President, when appropriate, may also designate another member of the university administration to provide an additional written response to an action of the SA.

B. Reporting to Other Bodies – The SA will report in writing its actions to the GPSA, Employee Assembly, and the Faculty Senate, in conjunction with reporting of the actions to the President of the University. The actions will be reported following each meeting by a SA member designated by the SA.

C. Annual Report - The SA will present an annual report at or after the last SA meeting of the spring term to the President of the University and the student population. The report will include a summary of the SA’s work during the preceding year and, in addition, describe any unresolved issues that are expected to arise in the future. All members of the Cornell community will have access to this report. The report must be approved by either a majority vote of the members present at the final meeting of the spring term or by a
majority vote of the voting membership of the Student Assembly electronically prior to being presented to
the University President.

**Section 4: Objection to Actions**

A. Objection of SA Actions by Another Assembly – Should another Assembly object to an action of the SA, at its next business meeting, the SA will review the objection and either modify the original position to account for the objections of the other constituency(ies) or will reaffirm the original action. The SA shall report to the objecting body(ies) within five working days of reviewing the objection.

B. Objection by SA of another Assemblies Actions – If the SA determines by a two-thirds vote that the action of another constituency body impacts its constituency, comparable procedures for the reconciliation of the differences will be pursued.

**Section 5: University Calendar**

A. The Provost will consult with the SA in the formulation of the University Calendar. The SA may review and ask for reconsideration of the calendar before it becomes final. In addition, the SA may propose changes in the calendar to the Provost.

B. The Provost shall make the calendar available for comment at least thirty days before public announcement of the final calendar.

**Section 6: Presidential Information**

The SA may request and obtain specific information from the President of the University regarding any subject which it deems of general student concern. If such a request is made, and said information is not furnished, the University President will report to the SA the reasons why said information cannot be furnished within two regularly scheduled SA meetings following the denial of the request. The SA will not request information falling into the following categories: salary or wage records of specific individuals, academic or financial records of specific individuals, medical or categorical (race, sex, age, etc.) records of specific individuals and information otherwise defined as confidential or restricted by law.

**Section 7: President’s Report**

The President of the University or his/her appointee will make a report in writing to the SA at the end of each semester. This report will be due at the beginning of the last SA meeting of each semester. This report will include: 1) the status of all policies and departments affected by campus governance legislation during the semester, 2) the status of all SA legislative actions awaiting Presidential consideration, and 3) progress reports requested by the SA leadership on any past legislative action(s).

**Section 8: Public Hearings, Forums, and Referenda**
A. The SA will have the authority and responsibility to conduct public hearings, forums, and referenda concerning topics of current student interest, and to determine in other appropriate ways student needs and opinions.

B. At two times during the course of the fall and spring semesters, a student or student group (referred to as the “submitter”) may submit a referendum of any topic of current student interest to the Student Assembly general body upon successful collection of support from at least 3-percent of the registered undergraduate student body (submitters should plan to collect at least 450 undergraduate signatures) according to the following procedure:

i. The referendum must contain a single or a series of referendum questions that are neutrally worded and call for a yes/no response. Once the submitter has started gathering signatures, the question may not be changed or modified in any way. Submitters must collect signatures (defined as a willfully submitted record of first name, last name, and NetID) exclusively from registered undergraduate students at Cornell University. Digital and print solicitation methods are permitted, provided that the referendum question and sponsoring student or student organization are clearly visible. An electronic form (ex, Google form) may be used to gather the names and NetIDs of students, but the final submission must be on the appropriate form provided by the Office of the Assemblies.

ii. The deadlines for submission of referendums will be a date to coincide with the deadlines of the election materials for the Fall and for the Spring. All deadlines will be advertised through the SA monthly newsletter as well as the other usual publicity instruments. Once a referendum question with the appropriate number of signatures has been submitted, the SA general body will roll call vote by simple majority whether to hold the referendum. The vote will also make the provision for two collective community votes. If the SA votes by a margin of 80% or more of voting members to NOT hold the referendum, the referendum is suspended. If the SA votes by simple majority but less than 80% of the vote to NOT hold the referendum, the submitter may overturn the decision of the SA by collecting the signatures of at least 10-percent of the registered undergraduate student body using the same method described in section A. 2. Once a referendum is approved or has gathered the support of at least 10-percent of the registered undergraduate student body, the following timeline will be observed:

a. STATEMENT PERIOD. The Student Assembly Executive Vice President will put out a call for pro or con statements regarding the referendum question. Any member of the Cornell community may submit a statement. Each statement will be no longer than 300 words. The statements must pertain to the topic of the referendum question. The deadline for pro or con statements will be seven (7) days from when the call was first made public.

b. PROMOTIONAL PERIOD. Once the seven-day statement period has ended, the Student Assembly Vice President for Public Relations has a period of three (3) days to promote the referendum question and any submitted statements. The Office of the Assemblies will distribute via email to all registered undergraduate students the following: information on when and how to vote in the referendum, the referendum question, and any pro or con statements submitted.

c. VOTING PERIOD. The Office of the Assemblies will conduct the referendum on the next business day following the conclusion of the promotional period. The voting period
will be exactly 36 hours. The Office of the Assemblies will display any pro or con statements submitted during the statement period on the poll.

iii. The Office of the Assemblies will publicly release the results of the referendum within one business day following the conclusion of the Voting Period, including the percentage of the undergraduate population that voted.

iv. If a referendum has a majority of votes in favor of the submitter, then the President of the Student Assembly will communicate the referendum question, a summary of each side of the argument, and the results of the referendum to the Office of the President in the form of a referendum action.

v. The Office of the Assemblies will record and make publicly available all communication between the President of the Student Assembly and the Office of the President.

Section 9: Authority to Appoint Delegates, Committee Members and Liaisons

A. Two members will be selected from and by the membership of the SA to serve as voting members of the UA and to act as a liaison between the UA and the SA. Elections for the two SA voting members to the UA shall be by separate secret ballots. Elections will be conducted using a single transferable vote system. The President may not be one of the SA representatives to the UA. The remaining two undergraduate student members of the UA shall be elected by the undergraduate student body at the time of SA’s spring elections in the same manner as SA voting members. Elected representatives to the UA shall serve for one calendar year, taking office June 1st. Elected representatives to the UA shall serve for one calendar year, taking office June 1st. Should a seat on the UA be empty, the seat shall be declared vacant. Undergraduates may not hold a directly elected seat in both the UA and the SA during the same term.

B. If at any time during the course of an academic year, a UA member elected directly from the undergraduate student body should leave his office, then the seat shall be filled by the next highest-ranking non-winning candidate. If there should not be a next highest-ranking non-winning candidate after the special election, the seat will be filled by the undesignated at-large candidate receiving the most number of votes in the preceding spring election.

C. The SA will have the authority to appoint student members of the UA committees.

D. The SA will have the authority to appoint student members to be liaisons to departments and administrators in the University.

i. During the process of committee appointments, the following two appointments must be made: liaison to the Athletic Department and liaison to the Dean of Faculty. The liaison positions shall have the responsibility of increasing the communication between the SA and the respective University departments.

ii. At the time that committee appointments are made, the SA will appoint one member to serve as Liaison to the Provost. The student will interact and work directly with the Provost on issues that affect and concern students on a regular basis during the member’s term of office.

iii. At the time that committee appointments are made, the SA will appoint at least one undergraduate student to serve as liaison to the Student Health Fee Advisory Committee. The liaison will be a voting member of the Committee.
iv. At the time that committee appointments are made, the SA will appoint one undergraduate student to serve as Liaison to the Student Health Plan Advisory Committee. The liaison will be a voting member of the Committee.

ARTICLE IV: MEMBERSHIP

Section 1: Composition

A. General Composition – The SA will consist of 30 voting members who are registered undergraduate students at Cornell University. Up to two additional votes shall be allocated to the entire community of undergraduates as a whole present at a Student Assembly meeting on motions that express the opinion of the assembly. Such community votes shall be allowed only as provided by the Assembly in its bylaws. Twelve voting members of the SA will be elected by and from the student populations of the colleges and schools, one from each: the Dyson School of Business, the College of Architecture, Art and Planning; the School of Hotel Administration; the College of Human Ecology; and the School of Industrial and Labor Relations. Two each shall be elected from the College of Agriculture and Life Sciences and the College of Engineering; and three shall be elected from the College of Arts and Sciences. In addition, thirteen voting members will be elected at-large by and from the University undergraduate student population as a whole; two at-large seats are to be reserved for candidates seeking the offices of President and Executive Vice President of the Student Assembly and must be explicitly designated as such; two at-large seats are to be reserved for non-constituent, undesignated at-large group candidates who do not run for President or Executive Vice President; one at-large seat is to be reserved for candidates seeking to represent students with disabilities; two at-large seats are to be reserved for candidates seeking to represent minority students; one at-large seat is to be reserved for candidates seeking to represent international students; one at-large seat is to be reserved for candidates seeking to represent womxn’s issues in relation to the broader Cornell community; one at-large seat is to be reserved for candidates seeking to represent First Generation College students; and one at-large seat is to be reserved for candidates seeking to represent the Lesbian, Gay, Bisexual, Transgender, Intersex, Asexual, Genderqueer, Pansexual, Questioning, Two-Spirit, and etc. community. The two remaining non-constituent, undesignated at-large seats are to be contested by candidates running for President and Executive Vice President and by non-constituent, undesignated at-large group candidates not running for President or Executive Vice President. Five seats shall be elected by and from new students entering in the fall. Should there be no candidate running for a given seat, the seat shall be considered vacant.

B. Ex-officio Membership – All undergraduate members of the Cornell student body are considered non-voting members of the SA, and are encouraged to attend and participate in meetings. The SA may designate ex-officio membership to any member of the Cornell Community as deemed necessary for the operation of the Student Assembly.

C. Specification of New Student Seats – Four new student seats shall be elected and held by new students entering in the fall semester. One additional seat shall be designated the Transfer Seat and shall be elected by incoming transfer students and held by a transfer student who has entered the university that fall.

D. Qualifications for Voting Membership - SA members elected from the various colleges and schools must be registered students in their respective colleges and schools by the beginning of the fall term of the
academic year for which they were elected. SA members must resign their position if they cease to be a registered, full-time undergraduate student in their respective college. SA members elected at-large must be registered students at Cornell by the beginning of the fall term of the academic year for which they were elected. SA members must resign their position if they plan to be away from the Ithaca campus for an extended period of time (i.e. a semester). Any SA member who vacates their current seat after being elected or re-elected to a position will forfeit their new seat. The forfeited position will devolve to the next runner up, and should there be no runner-up the seat will be re-run in the fall elections.

Section 2: Election of Voting Members

The President, Executive Vice President, Undergraduate Representative to the University Assembly, and other Undesignated at Large representatives will be elected by a single transferable voting system. Voters may rank all candidates on the ballot for each of these races and any ballot that has candidate(s) who is/are unranked the ballot shall not be invalidated and will count towards the ranked candidate. All other representatives shall be elected by a plurality voting system. Voters will cast one vote per available seat, (e.g. if three Arts and Sciences representatives are to be elected, the voter will vote for three candidates).

Section 3: Terms

All elected members are elected to a term, ending on June 1st, with no limit as to the number of terms they may serve. Prior to being seated at the beginning of their term, each member shall take the oath of office. and shall be bound to that oath for the duration of their term.

Section 4: Advisor

The University President will appoint one member of the administration to serve as consultant to the SA at its meetings.

Section 5: Absentees

Any voting members who are absent for three regularly scheduled meetings cumulatively during their term will have their position vacated. At the discretion of the Executive Committee, a member will not be counted as if they were absent for an interview for a job, graduate school, or scholarship; if they were attending a required academic event for which accommodations could not be made; if they were representing the Student Assembly in an official capacity; if they were tending to a family emergency; or if they were under the care of a physician. The Executive Committee will review each circumstance individually and will determine a decision within 7 days of the request. The Executive Committee may avert such a vacancy by a two-thirds (2/3) vote of seated voting members of the Executive Committee. The vote would be conducted by secret ballot. The Executive Committee should consider the reasoning for past absences, the likelihood of future absences, and the representative’s supplemental actions to represent their respective constituency in making their decision. The same action must be taken if the Executive Committee wishes to avert a vacancy whenever the three cumulative absences mark is exceeded. The Director of Elections will serve as Chair for these meetings. In the event that a Student Assembly member is observing a religious holiday on the day of a Student Assembly meeting, and that religious holiday has not already been
accommodated for in the yearly Student Assembly schedule, Student Assembly members may contact the Vice President of Internal Operations for an excused absence before the start of the weekly meeting.

**Section 6: Vacancies**

All vacancies will be filled by seating the highest ranked non-winning candidate in the last election from the same constituency. If the highest ranked non-winning candidate declines, the seat will be offered to the next highest ranked non-winning candidate. If this procedure has been followed and the seat still remains vacant, the SA will solicit candidates from the unrepresented constituency during the first two weeks of the academic term immediately following the declaration of vacancy. If there is more than one candidate, an election will be held within the appropriate constituency, and the winner will be seated. If there is only one candidate, he or she will be seated immediately. If there are no candidates for a particular vacant seat, such seat will be labeled Undesignated and filled by the runner-up in the Undesignated At-Large election. At the time for the next election, such seat will return to its previous designation. Vacant seats shall not figure into quorums or vote counts; only filled seats may. SA members who are college representatives and who leave their college will vacate their seats. Should a seat remain vacant or be vacated following the special election and there are no non-winning candidates from that constituency to fill the position, it shall be filled by the undesignated at-large candidate receiving the most number of votes in the preceding spring election. Should an undergraduate seat on the UA remain vacant after following these procedures, the SA may appoint an individual to assume the UA seat.

**Section 7: Recalling of Voting Members**

A. If a voting SA member is to be recalled, they may be recalled either through their constituency or through the SA. To be recalled through a member’s respective constituency each of the following procedures must be followed in the given order:

i. A petition for the recall of the specific SA voting member will be registered with the Office of the Assemblies before any signatures are obtained.

ii. Petitioning for recall shall last for a period of not more than fourteen (14) days from the registration of the petition. The required number of signatures shall be: for representatives of a college constituency - 50% plus one or 1000 from that constituency, whichever is smaller; for at-large representatives - 15% of the student body. The petition will be presented to the Office of the Assemblies.

iii. An informational forum will be scheduled and held within not more than one (1) week of the presentation of the petition, where a discussion of the recall will occur. The SA voting member must have a reasonable opportunity to attend the forum.

iv. A special recall election will be scheduled for and held within not more than three (3) days after the informational hearing.

v. Should the constituency vote to remove its representative the seat shall be declared vacant.

B. To be recalled by the SA, two-thirds of the voting membership must vote in favor of recalling the SA member.

**Section 8: Responsibilities of Voting Members**
A. SA members who represent specific college or school constituencies are required to make a reasonable effort to arrange at least two meetings a semester with their respective academic dean or associate dean(s) to discuss college/school specific issues and concerns. These representatives will then report back to the Student Assembly at the next regularly scheduled SA meeting briefing the Assembly on pertinent issues and occurrences that would take place as a result of these meetings.

B. SA members who represent specific college or school constituencies shall be charged with gathering information about their particular college and representing their respective constituencies, and voting according to their needs and desires.

C. All voting representatives shall host at least one forum or outreach activity with individuals from their respective constituencies and report all outcomes to the SA at the next regularly-scheduled meeting following such an activity.

D. All representatives may communicate regularly with their constituents through e-mail mailing lists and listservs, which may be maintained by their respective college dean’s office, the Department of Campus Life, the Office of the Dean of Students, or the Office of the Assemblies.

E. Any Student Assembly member, including the Vice President for Public Relations, must submit a mass message (e-mail, advertisement, press release, etc.) to the Executive Board for approval. The Executive Board may approve a message by a majority vote and the vote may be conducted by e-mail. The e-mail records must be saved.

ARTICLE V: AMENDMENTS

Section 1: Proposal of Amendments

This charter may be amended at any regular meeting of the assembly by a two-thirds vote of the entire voting membership, provided that the amendment has been submitted in writing at the previous regular meeting. Amendments may be presented to the assembly by voting members or by community petition with at least 100 Cornell undergraduate student signatures. Any changes made to the attendance policy after the second meeting of the term will not go into effect until the following term.

Section 2: Presidential Approval

Amendments to this Charter are subject to the approval of the President of the University. Should the University President disapprove the amendments affected by this section, the University President will present a detailed verbal or written report to the SA indicating the reasons for disapproval. The report will be presented within thirty (30) days of receipt of the proposed amendments by the University President.

Section 3: Official Copy

The Office of Assemblies shall update the official copy of the charter within five business days of receiving notice of any amendment’s ratification.

Section 6: “Check-off” or “Pay-extra” Options

Neither a check-off option nor an option to pay an amount in addition to the established SAF for specific programs or services will be allowed for purposes of exempting a student from paying the full amount of the SAF. Exceptions may be considered if recommended and approved by the Student Assembly and approved by the President of the University.
Section 7: Voting

Proxy votes shall not be permitted for decisions of the Student Assembly regarding the SAF during the SAF allocation process. The Student Assembly must approve the appropriations committee decisions by a majority of Student Assembly members present at the meeting and can overturn an appropriations committee decision by a two-thirds (2/3) vote of Student Assembly members present at the meeting. If the Student Assembly overturns a decision of the appropriations committee, the Student Assembly must decide Activity Fee funding for that organization by a majority of the Student Assembly members present at the meeting. After all appropriations committee decisions have been approved or overturned, the Student Assembly must approve the SAF by a majority of the voting membership of the Student Assembly.

Section 8: Freedom of Information

Unless otherwise noted, all documents regarding the SAF shall be considered public and shall be available to members of the Cornell community for review within 24 hours of their request. All deliberations regarding allocations and authorization shall be conducted in open session unless otherwise required by university policy or law. If a closed session is necessary to review or discuss confidential materials, discussion in such session must be limited only to those materials and no vote may be taken regarding the disposition of the request itself. Confidential materials may be disclosed publicly only at the discretion of authorized university personnel.

Section 9: Conference with PSA

If a disparity arises in funding levels between the GPSA and SA of an organization that is funded by both, the financial officers of each body will meet to discuss the discrepancy and recommend action to their respective bodies.

Section 10: Default

If the Assembly does not adopt a recommendation in the fall semester of a fee setting year, its recommendation shall be presumed to be that all individual by-lines revert to the same level as in the current funding cycle with the following exception:

1. Should an applicant’s newly approved allocation be less than that of the current cycle, the applicant shall receive the lower allocation.

Section 11: Amendments

Appendix A may be amended by a two-thirds (2/3) vote of the Student Assembly. In order to ensure consistency and fairness to the applicants and student body at-large, no amendments to this appendix may be adopted during the fall semester of a fee-setting year.

Section 12: Review
The SA and the GPSA and a representative of the President of the University shall review these guidelines and the procedures established in accordance therewith at least every four years in a non-fee-setting year (e.g., 2014-2015, 2018-2019). This review shall be conducted with strict adherence to the guidelines set forth by the Board of Trustees in Attachment A: Criteria for Setting and Allocating the Student Activity Fee (03/01/99).

Section 13: Criteria for Setting and Allocating the Student Activity Fee from the March 1, 1999 Delegation of Authority

A. Pursuant to a letter dated March 1, 1999, the President of the University has delegated responsibility for the setting and allocation of the Student Activity Fee to the Student Assembly (SA) and the Graduate & Professional Student Assembly (GPSA) within the following guidelines:

B. The SA and the GPSA shall each amend their respective charters to include the criteria for the setting and allocation of the Student Activity Fee, including the guidelines set forth herein and which criteria shall be reviewed by and meet the approval of the President of the University.

C. The Student Activity Fee for undergraduate students and for graduate and professional students shall be set every two years for a period of two years by the SA and the GPSA, respectively.

D. The amount of the Student Activity Fee shall be determined by the last day of classes in the fall semester of the fee-setting year by the SA and the GPSA, after substantive input and active participation in the fee-setting process by their constituencies. In the event the SA or the GPSA is unable to meet this deadline, the applicable Student Activity Fee will default to the amount and allocation currently in effect during the fee-setting year. The final report must be sent to the President of the University by the last day of finals of the fall semester.

E. In general, in order to be considered for funding from the monies collected through the Student Activity Fee, an organization must meet the following criteria:
   i. Register as a student or university organization with the Student Activities Office
   ii. Allow students equal access to the services being provided by the organization or participation in the organization’s activities
   iii. Operate primarily for students by students with funds disbursed through a university operating account
   iv. Have an advisor to assist with oversight of the university operating account.

F. Funding from the monies collected through the Student Activities Fee may be provided directly to an organization, which applies for and receives “by-line” funding status, outside of the established Student Activities Funding Commission or Graduate and Professional Student Activities Funding Commission processes. In addition to the general criteria set out above, an organization wishing to receive by-line funding must demonstrate:
   i. Its activities are of direct and primary benefit to the entire Cornell community represented by the respective assembly; and
   ii. It has a demonstrated budgetary need equivalent to at least 50 cents per student per year.

G. The SA and the GPSA may also elect to provide by-line funding for other programs and services, which are not registered organizations (e.g., Students Helping Students, club insurance) but whose organizational structure and programs and services are consistent with the criteria outlined above for by-
line funded organizations. Such funding would require the approval of the respective assembly and the President of the University.

H. The SA and the GPSA will ensure that an appropriate balance is maintained between funds allocated to by-line funded organizations and the Student Activities Funding Commission or Graduate and Professional Student Activities Funding Commission, respectively. The SA and GPSA shall allocate no less than 35% of their respective Student Activity Fees to the applicable Finance Commission for disbursement among non-by-line funded organizations.

I. The SA shall ensure that the Student Activity Fee is an even dollar amount without change. The SA shall be permitted to increase the Student Activities Funding Commission's allocation above their request to reach an even dollar amount.

J. Neither a check-off option nor an option to pay an amount in addition to the established Student Activity Fee for specific programs or services will be allowed for purposes of exempting a student from paying the full amount of the Student Activity Fee, due to the funding instability inherent in administering such a system. Exceptions may be considered if recommended and approved by the respective assembly and approved by the President of the University.

K. These guidelines and the procedures established in accordance therewith shall be reviewed by the SA and the GPSA and a representative of the President of the University at least every four years in a non-fee-setting year.

Reasons for a fine, reduction, or revocation of funding include, but are not limited to, violation of these rules, violation of campus policies, or violation of contract. Any money garnered from a fine on an organization shall be placed in the Special Projects Fund of the Student Assembly. Such figures may be acquired through a number of measures including swiping Cornell ID’s, using a ticketing system, keeping a sign in sheet, or having someone at the door count entrants. For events that are expected to exceed a capacity of 100 attendees, organizations are required to track attendance through a ticketing system or using Cornell ID Scanners. For organizations unable to purchase their own scanners, scanners will be available to rent through the Office of the Assemblies. For events where tracking attendance would provide an unnecessary burden to organizations, a brief written statement explaining why attendance was not taken is required.

D. Public Promotion & Engagement: Each organization shall regularly advertise its existence and encourage student participation at its meetings, which shall be open to the public. Each organization funded by the SA will be required to include the SA logo or the following statement on all fliers, posters, promotions, programs, and literature “Funded in part by the Student Assembly”.

For 2021-2022

Section 1: Preamble

A. The Student Assembly’s foremost interest in 2021-2022 shall be the undergraduate students of Cornell University. These Standing Rules shall serve as guidelines for specific rules and effective leadership from the Student Assembly that may not specifically be covered in the charter or bylaws, but will aide in the efficiency of a successful Assembly. These Standing Rules shall be adhered to by all Student Assembly members (elected and ex-officio), committee members, community members, and staff.

B. These Standing Rules shall be utilized with the following prefaces:
   i. Rule 1: In the event of a conflict, the Charter, Bylaws, and Special Rules of Order shall supersede the Standing Rules.
   ii. Rule 2: The Standing Rules shall be revised at the beginning of each semester by the President, the Executive Vice-President, and the Parliamentarian and submitted by the Executive Vice-President and Parliamentarian to the Student Assembly for approval. The Standing Rules shall take effect upon a majority vote of approval by the voting membership of the Student Assembly. The Standing Rules can also be edited at any time by a majority vote of the membership of the SA.
   iii. Rule 3: A motion to suspend the Standing Rules must be recognized by the Chair and approved by a two-thirds vote of Student Assembly members present.

Section 2: Ethical Standards and Attendance Policy

A. Ethical Conduct is expected of all members at all times, as members are representative of their constituencies. Any member found to be using the name of the SA outside of the bounds of the individual’s described role on the SA, abusing the SA brand to acquire additional benefits or privileges, or any such similar matter shall be in violation of this ethics clause. The appropriate disciplinary action shall be determined by the Executive Board, the Dean of Students, and the Office of Assemblies.

B. The Student Assembly is charged to “seek out and voice effectively the interests and concerns of the student body.” To do this, attendance and participation, as outlined below is imperative for efficiency within the Assembly:
   i. Rule 1: Attendance is required at all regularly scheduled meetings for all voting and ex-officio members who serve in a liaison capacity. Absences will not be recorded for ex-officio organizational liaison members, i.e. Tri-Council and Residential Student Congress, if the absence is a result of a conflicting obligation related to their respective organization. Attendance requirements for all operational ex-officio members shall be at the discretion of the executive committee. Absences for shared government liaisons will not be under the discretion of the executive committee. Regularly scheduled meetings are held Thursdays, from 4:45 until 6:30 p.m., while undergraduate colleges are in session. Informal meetings are considered official meetings when held in lieu of regular Thursday meetings or when deemed official by a unanimous vote of the executive committee.
ii. Rule 2: Attendance at all organizational and specially-scheduled meetings is required, when the Executive Committee provides SA members at least 48 hours’ prior notice of the meeting. Such meetings shall be considered “regularly scheduled meetings,” for the purpose of accruing absences. Ex-officio members will be excused from these meetings unless notified otherwise by the Executive Committee.

iii. Rule 3: All voting members must remain an active member of at least one committee as per the standards established by the chair of their respective committee. Failure to remain an active member of at least one committee can result in vacancy of a seat at the discretion of the Executive Committee.

iv. Rule 4: Any member who fails to attend a required meeting or event shall be considered absent. Any late arrival beyond the first 15 minutes of the meeting will result in a half-absence if there is no notification at least 24 hours in advance to the Executive Committee. Any early departure will result in a half-absence if there is no notification at least 24 hours in advance to the Vice President of Internal Operations. The Executive Committee reserves the right to decide what constitutes an early departure.

v. Rule 5: Any member who arrives late to a required meeting or event but within the first 15 minutes after Roll-Call will receive a quarter-absence.

vi. Rule 6: At the discretion of the Vice President of Internal Operations, unavoidable academic conflicts including prelims, final presentations, and field trips but not including office hours, review sessions or professor visits that are in direct conflict with a required Student Assembly meeting will not be counted towards the three cumulative regularly scheduled meetings if they are reported at least 24 hours before the meeting conflict. Academic conflicts that cannot be reasonably predicted at least 24 hours before the meeting conflict can be excused by a majority vote of the executive committee.

vii. Rule 7: At the discretion of the Vice President of Internal Operations, unavoidable conflicts as a result of job interviews and scholarship interviews that are in direct conflict with a required Student Assembly meeting will not be counted towards the three cumulative regularly scheduled meetings if they are reported as soon as the conflict arises.

viii. Rule 8: At the discretion of the Vice President of Internal Operations, unavoidable conflicts as a result of religious obligations that are in direct conflict with a required Student Assembly meeting will not be counted towards the three cumulative regularly scheduled meetings if they are reported at least 24 hours before the meeting conflict.

ix. Rule 9: The Vice President of Internal Operations can request documentation for proof of absence.

x. Rule 10: Any college or constituency who lacks representation as a result of a seat being vacated or unclaimed shall be filled by the runner-up in the most recent election for that seat. If the seat remains vacant, an interim representative shall be appointed by the President, and confirmed by a majority of SA Members. The interim representative shall have full voting privileges associated with membership on the SA. The interim representative post shall be terminated immediately upon the declaration of a permanent replacement via an election. The interim position will remain in effect for the remainder of the semester if the position becomes vacant following the first 3 weeks of the semester.

xi. Rule 12: All candidates who are elected to the Student Assembly during Spring Elections are required to attend all Organizational Meetings and the last two SA meetings during the Spring Semester. Absences at these meetings will count toward the member’s term total.

xii. Rule 13: All elected members of the Student Assembly will adhere to the Cornell University Student Assembly Oath of Office, which states:

In the view of the trust the Cornell Community has vested in me, as well as my personal sense of honor, I ________, do solemnly affirm to fulfill my responsibilities as a student-elected representative. I will engage in open and honest debate in a process where I am guided by truth and
fairness. I will never purposely misrepresent facts in an effort to achieve my goals. If a conflict of
interest arises, I will relinquish my right to participate in the decision making process. I will seek out
and voice effectively the interests and concerns of the student body, address the issues of my fellow
students, and strive to improve the quality of life at Cornell for all students.

Section 3: Agenda-Setting Policies and Procedures

meetings are held in lieu of regular Thursday meetings or to meet a deadline.

previously discussed. Additionally, appropriation requests and committee assignments are to appear under
Business of the Day. All other items shall be introduced as New Business, unless otherwise authorized by
a majority vote of the Executive Board or a majority vote of the Student Assembly.
C. Rule 3: New Business shall be an opportunity for SA and community members to ask questions of and
make suggestions to the author of a piece of legislation. Comments may not be argumentative in nature
and questions must seek factual answers.
D. Rule 4 Business of the Day shall be an opportunity for discussion and debate on the legislation.
E. Rule 5: Prior to introduction as New Business, all resolutions shall be reviewed and approved by an
appropriate SA committee no more than 30 days before the EVP sends the agenda to the general public.
The Executive Vice President or the Vice President of Internal Operations will determine which
committee will review a resolution. A resolution cannot be introduced to the SA without approval by an
appropriate SA committee except under extenuating circumstances in which the Executive Board
determines that a resolution should be brought to the floor without a committee review. Approval by a
committee requires a majority vote of the committee members present at the committee meeting. A
representative of the committee that reviewed the resolution is permitted to give a brief summary of the
committee’s thoughts or concerns on the resolution when it is presented a regularly scheduled Student
Assembly meeting.
F. Rule 6: In order for a resolution to be moved to Business of the Day, a Resolution must have been
discussed at a prior meeting or be moved to Business of the Day by a 2/3 vote of members present.

residential life at Cornell, the Residential Student Congress has the authority to pass resolutions that will
be introduced as New Business on the Student Assembly agenda. These resolutions must explicitly
pertain to residential life. Any resolutions presented by the Residential Student Congress must have been
voted on and approved by a majority vote of the general body members of the Residential Student
Congress and the Residential Student Congress liaison to the Student Assembly, who must be the sponsor
of the resolution. The resolution must be sent to the Student Assembly EVP at least one week before the
Student Assembly meeting where the resolution will appear on the agenda. All resolutions appearing on
the SA agenda through this method, without having been passed by an SA committee, will require a vote
of two-thirds of SA members present to be passed.

meetings. Items for the agenda must be submitted to the Executive Vice President of the Student
Assembly in the proper format, as designated by the Executive Vice President.

Originally Presented: 09/09/2021

Current Status: New Business

Whereas, the Vice President of Research and Accountability position and its respective committee were created in January 2020 in an effort to increase accountability amongst members of the Student Assembly and its committees;

Whereas, the Vice President of Research and Accountability and the Research and Accountability Committee served necessary and important roles at the time of their creation, as they created an unbiased arm of the Student Assembly tasked with handling matters of internal Student Assembly affairs and general representative accountability;

Whereas, the Vice President of Research and Accountability position was dissolved in December 2020, and the Research and Accountability Chair position was thereafter reserved for a community member;

Whereas, the Research and Accountability Committee fulfilled its purpose of holding Student Assembly members accountable during its first few months of existence, directly preceding the onslaught of the pandemic;

Whereas, there is no longer a shared sense amongst current Student Assembly members that this committee must continue to exist in its current form;

Whereas, current Student Assembly members have largely adopted a new guided philosophy to refrain from outsourcing research to a committee;
Whereas, Student Assembly members have the Executive Archivist as a resource to research historic Student Assembly legislation to support current legislative efforts;

Whereas, each committee and Student Assembly member practices research and accountability individually or in collective ways;

Whereas, any necessary accountability and research concerns of SA members and directly elected Undergraduate representatives to the UA should be brought forward to an independent body;

Be it therefore resolved, that the Research and Accountability Committee will be dissolved effective immediately and replaced with the Office of Ethics to preserve accountability measures;

Be it further resolved, that “Section 3: Operational Committees” of “Article VI: Committees” lines 435-459 of the Student Assembly Bylaws be amended as follows:

H. Research & Accountability Committee – The committee will pursue any necessary accountability and research concerns of SA members and directly elected undergraduate representatives to the UA. The Chair position can be held by any non-Student Assembly member of the Cornell undergraduate student population and the committee will be under the supervision of Executive Vice President. The committee shall consist of ten voting members, two of which are current SA members and/or directly elected undergraduate representatives to the UA and eight undergraduate community members. The composition of the committee can change for specific meeting types in which members of the SA Executive Committee or other student representatives can be given an ex-officio status – this is to be voted on by the RE committee as a whole and only when initially decided on by the Chair. The committee has the obligation, if decided upon, to conference any SA member, directly elected undergraduate representative to the UA, SA affiliated committees, or Committee Chair if they have received a notice from any member of the Cornell Community. The committee is restricted from passing resolutions due to the necessary impartial nature of the committee. However, after a full inquiry or fact finding action—a written report may be presented to the SA, which will include a brief summary of the situation being
investigated and any necessary actions the committee recommends. The requester’s name and others who are not SA members or directly elected undergraduate representatives to the UA shall be redacted from the report if permission from any of the individual(s) is not given.
